## About

---

As a 2nd-year B.Tech CSE student at Maharishi Markandeshwar University, Mullana, I am a web development enthusiast with a strong academic record (9 CGPA) and a passion for building innovative digital solutions. With experience in web development, I have developed a solid foundation in programming languages and have honed my skills in creating dynamic websites and applications. As Program Coordinator at Alpha Intern, MM DU Community, I have also demonstrated my ability to work effectively under pressure and manage multiple projects simultaneously.
